

Dear Oakhurst Members,

It is exciting to see members coming out and using the pool and outdoor dining. The Pool and Outdoor Dining reopened on Tuesday, June 9th, during this very short time, there have been many questions and wanted to take this time in not only addressing these questions, also reminding members of the Restrictions and Limitations from the County Order in reopening these areas of the Club.

## Pool Information & Questions

- ***Why is there no furniture on the pool deck?*** The County Order states that all gatherings shall be prohibited outside of the pool, such as on pool decks, except that members of a household may observe a child or other person swimming to ensure safety and supervision.
- With these restrictions, we are currently unable to provide chairs or lounge furniture for use by members.
- ***Can we reserve times that are longer than an hour?*** Due to the restrictions and limitations, we are only allowing 1-hour reservation blocks. This provides many members with the opportunity to use the pool.
- ***Can I stay longer than an hour if there is nobody with a reservation after my reservation?*** Yes, if the lane does not have a reservation after your 1-hour block, you are welcome to continue to use and enjoy the pool.
- ***Can I order food and beverage while at the pool?*** Yes, but we ask that you eat either on the grass area or on the patio that is just outside of the rear entrance/exit gate.
- ***Do I have to make a reservation to use the pool?*** No, but it is highly recommended. We are working on developing a pool reservation app that members can reference and book pool time. If you do not have a reservation, you may encounter that all lanes are being use/occupied.
- ***When will the pool reservation app be available?*** Should be available by June 17<sup>th</sup>.
- ***Can we use the pool restrooms?*** Yes, but use of showers and changing areas are prohibited. Order states that Locker Rooms Shall be closed, except for use as a restroom.
- ***Can I reserve a lane for a swim party?*** No, the County Order states that use of shared swimming must be limited to no more than one swimmer, except that members of the same household or living unit may occupy a single lane.
- ***Can I bring guests to the pool?*** No, at this time the way the order is written, we are unable to accommodate guests of members in the same lane.
- ***What are the Pool hours?*** 5am to 7pm

## Outdoor Dining Information

Our Outdoor Dining provides access to freshly prepared meals at a relatively low risk of transmission. Because food service will be limited to outdoor areas, the overall volume of increased activity will be modest. In addition, interactions and activities that occur outdoors carry a lower risk of transmission than most indoor interactions and activities. Risks associated with outdoor dining can be substantially mitigated through measures that provide for adequate social distancing.

Outdoor seating arrangements must limit the number of patrons at a single table to no more than six (6) individuals, all of whom must be from the same household or living unit.

All tables must be separated to ensure that six-foot minimum social distance can always easily be maintained between all members of separate households or living units.
